

January 1, 2021

Dear Valued STERIS Customer,

This letter is to inform you that effective January 1, 2022, STERIS Corporation will discontinue and no longer sell the following products:

STERIS 4085 General Surgical Table

STERIS is discontinuing the sale of this general surgical table as a result of the introduction of the STERIS 4095 General Surgical Table. Healthcare facilities in North America have been transitioning to newer models of STERIS general surgical tables to accommodate greater performance, improved OR workflow, and updated technology over the years.

STERIS will continue to support the STERIS 4085 General Surgical Table as follows:

- Assuming replacement service parts availability, all service, and accessories indicated for use with the STERIS 4085 will continue to be available for a minimum of 7 years.

STERIS strives to provide the highest level of Customer support in the industry. As part of that commitment, we want to provide you with sufficient advance notice of this product obsolescence and of our commitment to continue supporting the product as outlined above.

We recognize the impact that product obsolescence has on your operation. A recommended replacement for the STERIS 4085 General Surgical Table are the STERIS 4085-R (Refurbished), STERIS 4095, STERIS 5085 (Series), or STERIS 5095 General Surgical Tables. A STERIS representative will contact you to provide additional information about the STERIS 4085 Table. If you have any questions regarding this notice, please do not hesitate to contact STERIS at 1-800-548-4873.

Sincerely,

Jake Iselin
